

## Spelfabet Groups 2021

Program Type	Initial Assessment	Group	Total
Intensive (5 days, 6:2)	\$190	\$500	\$690
Saturday (9 weeks, 6:2)	\$190	\$900	\$1090

\*Payment must be made in full before the commencement of the program to secure your spot.

Each group will run for an hour, with a maximum of **three** children per Speech Pathologist (6:2). Many private health insurance companies provide rebates for group therapy. **Children who are not already on our caseload will need to come in for an initial assessment (\$190) first, so that we can be sure they are a good fit for one of the groups.**

### Holiday Intensive – July 5<sup>th</sup>-9<sup>th</sup>

Each child will receive five hours of intensive intervention. The cost will be \$500 per child for the week of sessions.

### Term 2 Saturday Groups – Weekly July 17<sup>th</sup> – Sept 11<sup>th</sup>

Each child will receive 9 hours of intensive intervention. The cost will be \$900 per child for the 9 weeks of sessions.

#### The sessions will run as follows:

- 9:00am-10:00am targeting children who are struggling to blend and segment and thus can't reliably read or spell words with two or three sounds and simple spellings like "at", "fun" and "hop".
- 11:00am-12:00pm targeting children in Grade 1 or 2 who can blend and segment a little, and reliably read and spell two and three-sound words like "at", "fun" and "hop", but struggle with words with four or five sounds like "jump", "stop" and "frog".
- 1:30pm- 2:30pm targeting children in Grade 1 or 2 who can read and spell words containing four or five sounds, but struggle with words containing consonant digraphs like "sh", "ch", "th", "ck" and "ng".
